

Health History Form Instructions

Welcome to Kenyon from the **Cox Health and Counseling Center**. We are committed to providing students with compassionate care and empowering them to manage their own health in preparation for life after Kenyon. As you begin your academic journey, we are here to help support your health and wellness. So that we can provide you with the best care possible, we ask that you follow the instructions provided and complete the health forms listed below in our **PyraMED student portal** at <https://kenyon.studenthealthportal.com> by no later than June 1, 2023, at noon Eastern Time.

1. Health History Form
2. Immunization History Form

If you have any issues completing the Health History Form, please contact Health Services at health@kenyon.edu or 740-427-5525.

To Access Both Health Forms

1. Log in to your **health portal** (<https://kenyon.studenthealthportal.com>) using your Kenyon username and Kenyon email/network password.
2. Authenticate with Duo. Still need to enroll in Duo? See **Duo instructions**.
3. Click the My Forms link on the health portal home page.
4. Choose Health History Form.
5. Complete the form and click submit.
6. Repeat steps 1-3 then choose Immunization History.
7. Complete the form and click submit.

You must also upload a COVID card or exemption documentation to your health portal. Read more about **immunization requirements and exemption requests**.

Finally, if you require special assistance or any specialized medical care or treatment (i.e., allergy injections, medication delivery and storage, disordered eating, intensive outpatient treatment, etc.), please contact a member of the Cox Center team:
